

Job Description

Mental Health Lead

LOCATION: Truro, Cornwall

HOURS: Full Time

PAY: £35,000 Salaried

Job description

Do you hold a qualification that requires you to be registered with a regulated council, a mental health or social work qualification and fancy a challenge in a new project, shaping a service? We are looking for a dynamic individual who can take lead and develop a new team for a mental health service. The role will involve liaising with the mental health ward, organising discharges into to community and structuring their level of support. A new training schedule will need to be implemented for a new team of workers, also completing regular reviews and de-briefs. As part of your role, you will be required to contact relevant professionals, complete thorough documentation and relay information to other teams and departments.

This role is mainly Monday to Friday 9 - 5 but this could be flexible. It would also involve rotational weekend duty manager responsibilities.
